

# VARIO DRILL WS 90 spotweld remover Patented

The  
Decisive  
Plus:

Greater  
flexibility with  
VARIO MATIC

Ready to use  
in seconds –  
without extra tools

**VARIO DRILL WS 90 –**  
the most versatile unit for  
speedy removal of spotwelds  
on vehicle bodywork.

**VARIO DRILL WS 90** is con-  
verted in **one simple action,**  
without additional tools.  
The **VARIO MATIC** is simply  
fitted and engaged with the  
ring.

According to the require-  
ments the **VARIO MATIC** can  
be rotated through **360°.**  
The **Safety-Fixing System**  
prevents sideslipping of the  
drill when in action.

The **tool depth** of the VARIO  
DRILL WS 90 is **infinitely**  
**variable,** preventing penetra-  
tion of the second panel.

Single sided removal of  
outside spotwelds with  
VARIO MATIC.

Single sided removal of inside  
spotwelds without  
VARIO MATIC.

#### Technical Data:
